## Indoor Soccer Rules

- Teams of 5 a-side (**panel of 8 players**).
- Games of 5 minutes (Group games) and 7 minutes (Knockout Games) – Continuous Play.
- Unlimited substitutions – touch hands with player going off. Substitutes must wait outside the perimeter walls of pitch.
- All spectators must watch from the viewing gallery high above the pitches.
- All free kicks are direct so they may be scored from.
- Ball **must** be kicked off the ground by goalkeepers or thrown out. The ball may not be kicked out of their hands.
- There is no 'head height' rule.
- Scores not allowed directly from inside your own half.
- Serious foul player or bad language will be red carded, the player will be suspended for the remainder of the competition.
- No player is allowed to play the ball in the goal area, except the goalkeeper.
- Any contact with the ball in the goal area by a defender will result in a penalty.
- No deliberate physical contact.
- Opposing players to be 5m from a player taking kick out or free.
- If a goalkeeper plays the ball outside the goal area a penalty is conceded.
- Teams must be accompanied by a teacher who must remain outside the pitch perimeter.
- If teams are level on points at end of group stage the result of the head-to-head group match will decide positions in the table.
- If that head-to-head game was a draw, then overall score difference will be used to decide positions. If still the same, then a 3 min play-off will decide the winners. If still a draw, then next score wins.
