MONEYMORE	VS	COOKSTOWN	PITCH 4
WOODS	VS	ORRITOR	PITCH 5

*****12 NOON- PRESENTATION MEDALS AND TROPHIES *****

Medals and Trophies presented to winning school in both 'small school' and 'larger school' sections.

All squads will receive 10 'participation' medals except the winning team in each section who will receive 10 'winners' medals and the trophy.

To avoid 'cricket scores' during the tournament if two teams are on level points at the top of their section then the trophy will be 'shared' between the two schools rather than using 'goal difference/goals scored' to differentiate between teams.

Please Read and Observe

Normal rules of mini-soccer should be observed. Below are some local rules to assist organisation:

- Each match will last 10 minutes with no 'half time'.
- There is a 2 minute 'turn around' between matches.
- Each team should consist of 7 players. (Squad should be a max 10 pupils so that medals can be ordered) (Boys only squad is okay or a squad can be a mixture of Boys and Girls)
- Games on all three pitches will start and end at the organiser's signal. (Air Horn)
- No off-side.
- Goal-kicks can be taken from the goalkeeper's hands.
- Goalkeepers can come out of their 'goalkeeping area' and use their feet to 'clear' the football. If they handle the ball outside their 'goalkeeping area' it is a 'direct' free kick.
- No pass-back rule.
- Players from both sides are allowed inside the 'goalkeeping area'
- Parental **SUPPORT** is encouraged.
- No limit to substitutions and these are 'roll on, roll off' throughout the match.
- Throw in's will be taken from the side line when the ball goes 'out'.
- Corners/Goal Kicks will be taken when the ball goes over the line behind the goals.

Teachers are responsible for the behaviour and conduct of both their players and their supporters. Positive encouragement and fair play is expected at all times.

Please keep the Sports Arena tidy and either take all rubbish 'home' or use the bins provided- Thank You

Layout of Coagh Sports Arena

Parents/buses should avoid driving and parking in the 'green' pedestrian zone between the two grass football pitches. This will allow pupils safe access to the toilets throughout the tournament.

Parents/Spectators are able to watch the matches from the perimeter of the grass pitches. Only footballers and teachers/coaches should be in the grass football pitches.
